Scripture For The Month Lectionary Sunday 10/6/18

We wish you could see how all this is working out for your benefit, and how the more grace God gives, the more thanksgiving will redound to his glory. This is the reason why we never collapse. The outward man does indeed suffer wear and tear, but every day the inward man receives fresh strength. These little troubles (which are really so transitory) are winning for us a permanent, glorious and solid reward out of all proportion to our pain. For we are looking all the time not at the visible things but at the invisible. The visible things are transitory: it is the invisible things that are really permanent.

5 ¹⁻⁴ We know, for instance, that if our earthly dwelling were taken down, like a tent, we have a permanent house in Heaven, made, not by man, but by God. 2 Corinthians 4:16—5:1.

The talk from the Bible Society about their work in translating the Bible into different languages and distributing to the people was very interesting. Pat Wydeman.

To expand on what Pat says :- The Bible Society's Web Site says.

For over 200 years Bible Society has been working to bring the Bible to life; to help people **around the world** engage with it, relate to it, and make sense of it. - - - We're doing everything we can to help individuals and communities to engage with the Bible because we believe that when they do, lives can change - for good.

The current issue of their "Sower" magazine gives some interesting statistics of Bibles distributed around the world last year.

Prayers :
