#### Scripture For The Month; Lectionary For Sunday

**23/9/18. James 3: 13-18.** ( J.B. Phillips Translation)

Are there some wise and understanding men among you? Then your lives will be an example of the humility that is born of true wisdom. But if your heart is full of rivalry and bitter jealousy, then do not boast of your wisdom—don't deny the truth that you must recognise in your inmost heart. You may acquire a certain superficial wisdom, but it does not come from God—it comes from this world, from your own lower nature, even from the devil. For wherever you find jealousy and rivalry you also find disharmony and all other kinds of evil.

17-18 The wisdom that comes from God is first utterly pure, then peace-loving, gentle, approachable, full of tolerant thoughts and kindly actions, with no breath of favouritism or hint of hypocrisy. And the wise are peace-makers who go on quietly sowing for a harvest of righteousness—in other people and in themselves.

### TO ANY DADDY.

There are little eyes upon you, and they're watching night and day;  
There are little ears that quickly take in every word you say;  
There are little hands all eager to do everything you do;  
And a little boy who's dreaming of the day he'll be like you.

You're the little fellow's idol. You're the wisest of the wise;

In his little mind about you no suspicions ever rise;  
He believes in you devoutly, holds that all you say  
and do He will say and do in your way when he's  
grown up like you. *From "Gems Multiplied"*

**Samaritans Purse :** I would like to fill the boxes on Tuesday 25th September, after our Morning Tea. If anyone is able to help, that would be great. Phyllis.

### Community Morning Tea

On Tuesday 28 th August our morning tea was privileged to have Katarina Mitrovic as guest speaker. Katarina, who is a nutritionist, spoke clearly and effectively on healthy eating. She was helped by a well presented "Power Point" on the screen. It was impressive that Katarina testified to how adopting a nutritious diet had been effective to good health in her own life. She outlined which foods are good to include in one's diet and those to avoid eating and drinking. Katarina offers individual advise as to " current health status, diet and lifestyle practices." She can be contacted on 0402 125 128 or on [www.intohealthnutrition.com.au](http://www.intohealthnutrition.com.au) B.McAlp.
